

1688 order checklist

Record order conditions and the questions to confirm with the supplier.

Complete what you know. Use blank fields as questions during consultation.

Date	Product	Prepared by
------	---------	-------------

Product & options

N/A []

- ☐ 1688 product link and product name
- ☐ Exact colour, size and specification options
- ☐ Available sample or reference image

Schedule & payment

N/A []

- ☐ Required arrival in Korea and dispatch from China
- ☐ Available stock or made-to-order production
- ☐ Payment method, deposit and balance terms

Quantity & pricing

N/A []

- ☐ Initial order and expected future quantities
- ☐ Target unit price and total budget
- ☐ Supplier minimum order quantity (MOQ)
- ☐ Whether China freight and packing are included

Before sales in Korea

N/A []

- ☐ Product-specific certification and safety rules, including KC
- ☐ Korean-language and country-of-origin labels
- ☐ Possible trademark, design or copyright issues

Before confirmation

Listed prices, stock, lead times and MOQ are not final until confirmed by the supplier. Certification, customs clearance and eligibility for sale in Korea require separate review depending on the product.

Prepare for consultation

Product link / Images of required options / Quantity and required arrival date
